

WHAT YOUR CHILD HEARD TODAY:

No one wins at everything except God. God is the only One who wins at everything He does. No one else can do this. There is no one like God.

God is greater than all. Even kings and armies do not have the power that God has. He wins over all the kings and armies of the world because there is no king as great as God.

God loves to show kings and armies and all men how great He is.

TO READ ABOUT THIS: Look up in your Bible: Joshua 10:1-11, Judges 7, Daniel 4:28-35, and Daniel 2:20-21; Exodus chapters 4-13

SOME QUESTIONS TO ASK: Do I really believe that God wins at everything? What kind of person must God be to win at everything? Do I oppose God?

MEMORY VERSE: *Isaiah 46:9b--I am God, and there is no other; I am God, and there is none like me.*
