

WHAT YOUR CHILD HEARD TODAY:

Satan is God's enemy. But he is not the only enemy of God. Every person ever born has been an enemy of God. Our hearts don't want to put God in first place.

Everyone on his own fights against God. Not only does this make us an enemy of God, but we can't even fix this problem. We can't become the friend of God or stop fighting Him.

Only God can fix our sin problem of not making God most important. God chose to fix the sin problem by sending His Son, Jesus, to earth from heaven to die for our sins. When Jesus died, He took away the punishment of sin for the people of God. This is good news!

TO READ ABOUT THIS: Look up in your Bible: Romans 3:11; John 1:29

SOME QUESTIONS TO ASK: Am I fighting against God? Am I one of God's people?
