

WHAT YOUR CHILD HEARD TODAY:

Everything on earth comes to an end some time including the world. There will be one final big battle. We already know how this battle will turn out because God has told us about it in the Bible.

God will win this last battle just as God always wins in everything. Jesus will come in power. He will throw His enemies into the fiery pit and He will take His people home to heaven.

The last battle is good news for those who belong to God.

TO READ ABOUT THIS: Look up in your Bible: Revelation 17:14; Revelation 19:11-16; Isaiah 45:22-24

SOME QUESTIONS TO ASK: How can God know the future? Why is it foolish not to be on God's side? Is the end of the world and the last battle good news or bad news to me?

MEMORY VERSE: *Revelation 19:1b— Hallelujah! Salvation and glory and power belong to our God.*
