

## WHAT YOUR CHILD HEARD TODAY:

Either a person is on God's side or he is against God. Either God is most important in a person's life, or He isn't most important. When a person resists God in the heart, he is fighting against God.

God is calling people to be on His side—He is calling people to make Him most important in their lives. When God is calling a person, He will win just as He wins in everything.

When a person is on God's side, he is on the winning side. If he is not on God's side, he is on the losing side. He loses the joy of loving God here on earth and God's help, and he also loses living forever in heaven.

If God is calling someone to be one of His people, that person can answer the call of God by praying, "God I want to be on your side. I want You to be most important in my life. I want Jesus to take away my sins and I want to follow you." God will not turn away those who seek Him.
